

Enrolling in a Blackboard Community at UCM

Your first step is to Log in to UCM's Blackboard interface.

Then click on the My Community tab at the top right.

Select the My Community Tab

When logged in your name appears here

You will see a link to the catalog of Communities that are available for your enrollment.

Click on Browse Organization Catalog to see the list of possible organizations to join

Fill this area in with what you know of the title

The interface allows you to search for available Communities with the information that you know, such as the ID, name, description, leader name or term, for instance. Be sure to click on "GO" to execute your search.
