ABOUT THE B.S.B.A. IN ECONOMICS

Business economics is a broad-based field that focuses on your interests, such as understanding the incentives that induce human behaviors or examining issues of critical social importance. In this program, you will complete courses in accounting, computer information systems, finance, management and marketing. This extensive training makes it possible to target a wide variety of employment opportunities or continue your education by attending graduate school.

CAREER OPPORTUNITIES

Upon completing the AACSB-accredited bachelor's degree, you will be prepared to pursue or advance your career, or attend graduate school.

Alumni from the program work in a variety of positions including:

- Bank manager
- Research analyst
- Insurance specialist
- Stockbroker
- Contract attorney

STUDENT ENGAGEMENT

Involvement allows you to keep abreast of the latest developments in the field and to develop essential networking and leadership skills. Program graduates enter the workplace prepared with practical, hands-on experience through student organizations, internships and international study. Build your résumé and prepare for your career by participating in the Economics Club. The club allows you to dive deeper into your field through networking events with fellow students, faculty members and professionals. Events take place throughout the school year.

PROGRAM HIGHLIGHTS

The bachelor's degree in Economics contains several unique characteristics:

- Develop problem-solving skills through a variety of real-world problems.
- Work side-by-side with faculty on research projects, ranging from environmental aid to valuation of sports teams to investigations of statistical methodologies, along with extensive involvement in professional organizations.
- Enter the workplace with presentation skills obtained from presenting research to faculty and classmates.

SCHOLARSHIPS AND FINANCIAL AID

A wide variety of scholarships are available to help finance your education. Learn more about the scholarships available at ucmo.edu/efascholar, or visit ucmo.edu/mocents.

Federal financial aid is available. UCM FAFSA Code: 002454

PROGRAM REQUIREMENTS

To complete the 120-credit hour program, you must have:

Completed eight pre-admission courses with a grade of C or higher and must obtain a 2.25 cumulative GPA, and a 2.25 in specific courses, for admission to the degree program. These courses are recommended for completion during your freshman and sophomore years.

To satisfy the General Education Assessment Policy, students must take the GEA exam before or during the semester in which a total of 45 credit hours will be earned. The minimum score of 425 must be achieved by the semester in which 75 credit hours will be earned. For more information, visit ucmo.edu/testingservices.

For program course listing, visit ucmo.edu/majors. For graduation requirements or more information, contact your advisor or visit ucmo.edu/econ.
