School Profiles

The School Profiles are a summary of selected elements from reports routinely produced by various offices at the University of Central Missouri. Each profile is divided into five major sections: Full-time Teaching Faculty – Fall, Student Credit Hours Generated – Annual, Declared Majors – Annual, Degrees Awarded – Annual and Minors Awarded – Annual. The academic year is Summer, Fall and Spring. The sources of these data and some associated definitions are as follows:

Full-time Teaching Faculty – Fall

This is the number of full-time faculty as of September 30. Data are from the Provost Office.

Student Credit Hours Generated – Annual

The student semester credit hours are reported by the level on which the credit was awarded to each of the enrolled students. This is especially important in 4000 level courses, which may be taken for either undergraduate or graduate credit. Students who have withdrawn from classes after the official drop/add period and those who are auditing the course are both included. Credit Hours are calculated at the end of the semester rather than on the University's official census date. Source: Argos Schedule Offerings.

Declared Majors – Annual

Students declaring a double major were reported within both of their program areas. Source: Official Census Files.

Degrees Awarded – Annual and Minors Awarded - Annual

Students receiving a degree with a double major or minor are reported within both departments. Source: Argos Graduated Students.

See the Glossary of Terms and Definitions for more details.
